- Member of the EGEE III Project Consorciun
- Member of the TERENA Association
- Pioneer of the CEF (Customer Empowered Fiber) Networking
11 – 13 May 2009 in Prague

Conference is organised under the auspices of the Czech Presidency of the European Union.
Prague

- a beautiful city with a rich history
- the capital of the Czech Republic, situated on both banks of the Vltava river
- often called “Golden” or “Hundred-spired”, belongs to the architecturally unique European cities
- has 1,200,000 inhabitants and stretches over approximately 500 square kilometres
- The dominant feature of the city is Prague Castle, which houses the gothic St. Vitus’s Cathedral.
- has one of the oldest universities in Europe; the Charles University, which was founded in 1348

Prague provides all the necessary facilities and services for the Future Internet conference and also attracts participants with its cultural and architectural beauty.
